

## Buttercup

**Sire: GRCH RUFUS DE LA SOURCE DES TITANS**

**Dam: RED DOG RIDGE ROYAL ZASCIA**

**Date of Birth: 1/12/2002**

**Owner: Lee E. Denslow**

**Breeder: Michelle Convis**

**Achievements: ButterCup- The King of all Dogues De Bordeaux**

No person has made his acquaintance and not been touched by his loving demeanor. You could not ask for a more loyal protector of family and friends. Despite having the skin disorder Pemphigus (diagnosed 18 months ago) and battling a *hypothyroid condition he still lives a happy life! His insatiable desire to chase small animals is still intact despite his slow moving bones! The doctors gave Buttercup a very poor diagnosis many months ago. He continues to surprise us every day with his desire to eat and sleep like the King he is! We hope that Butter has many more happy/healthy moons.*
