Dam: Gabrielle

Date of Birth: 10/1/1998

Current Age: 9 years

Owner: Kevin Monahan

Breeder: Mary Madtes

Zeus came into our lives when he was only seven weeks old and quickly began displaying all the traits that make this breed so special. He has been a loyal companion and protector of my family for nine years now, to see him play with my three daughters (ages 5,3, and 1yr) is amazing. So fearless yet so gentle at the same time. Everyone who meets "Zeusie boy" is always greeted with a wag of the tail and a pant leg of drool! Although he is starting to show some signs of arthritis these days, he is still the first one to get up with his dad everyday for a walk and his biscuit. My family and I hope that we are lucky to have him in our lives for many years to come.
