

The DDBSA Top Working Dog Award is presented to the member dog that has earned the most lifetime WD titles (at least one WD III requirement must be fulfilled to be eligible for the Top Working Dog Award). This award secures admission into the DDBSA WD Hall of Fame. Their Top Working Dog place is held secure through their last year of life. The calendar year following their passing, another Top Working Dog with most total lifetime WD titles is selected. Recognition of these "Top Dogues" in working venues is demonstrated through highlighting their achievements within the Hall of Fame page on the DDBSA website, and via certificate.
